On 10/27/89, caller's 13 year old son and 12 year old friend were riding their bikes down Laramie Street. A man in a dark blue, full-size pick-up truck, possibly a GM, asked children to come over to the truck. When children said no, man got out of the truck and started coming towards them, carrying a big, thick stick. Children ditched their bikes and ran towards the houses, man drove around the block, but children ran into a neighbors home. Caller and husband were out for the evening when this occurred. Man was in his mid 20's, 5'10-6', sandy blonde hair, and mustache.

LEAD: Caller believes that this kidnapping may be related to previous "newspaper boy" kidnappings. One occurred about 8 yrs ago in Michigan. Believes victim's name was Michael Dooty. Similar kidnapping occurred about 5 yrs prior to that in same area in Michigan. Caller believes we should check area pizza parlors because pizza is Jacob's favorite food. Kidnapping is older, doesn't work full-time, but has money. Numbers "DE 7941" and color yellow is significant. Kidnapper probably lives in White House w/ yellow trim and drives a small red car, maybe station-wagon. man is a stranger to the Wetterhagens.

Just for fun!

How to tell the phony clairvoyant,
psychic, whatever, from the real thing. HO!

Answer no questions, they'll pump
you (like a reporter).

There is no need for:

personal objects

travel

Publicity

There are no:

visions

dreams

vibrations, waves, fields, etc.

supernatural events!

(A copy of a picture is helpful & appreciated)

Real clairvoyance is as simple as
picturing a person or place, in your
mind, from memory. The tough
part is describing what one "sees",
so that others may recognize the
person or place. It is a tool,
nothing more, a very natural
thing.

For machines, offices,
incredible! Can't these people be
prosecuted? It's fraud!

807

Better a sceptic than a fool,
you have my respect!

R. E. Jacob Wetterling

Locations of 10-27-89, 7:15 p.m.

78 miles, N. & East. from abduction
site.

1. Motel-enroute? - sign of man dressed
as pirate or old fashioned seaman. Nautical
theme.

2. Cabin - sm. house - isolated - hilly
area. 5 miles - guesstimate! - from main
roadway. Woods - deciduous trees &
evergreens. Good sized body of water,
waves lapping shore, apt to be lake
rather than river.

Mackinac? Closest - Mille Lacs.

Some reservation in general area.

If Mille Lacs - S. W. corner, shore.

Light snow here - already?

Boy - tied or strapped to straight backed chair.

Snowmobile - nearby shed, unpainted.

Antlers -

See only 1 man at present. Very dark, poss. black hair, seems oily. Long on top, fairly short lower edge. Appears to be parted c a tendency for hair to fall forward over forehead - 5" long.

Slim face, poss. acne scarring.

Height around 5'10" - 5'11", appears tall due to thin build.

Nervous habit, either rubbing or patting hand on his knee, quirky.

Large gold colored ring, coiled snake? yuk.

Dog - Med. large 24-27" lt. brown, short haired, upright ears, slim build.

Boy's dog?

See enroute to cabin - cement factory - preform concrete pipes

Assume a nursery - several good sized greenhouses. Green sign, one, shaped like a fir tree, actually a Christmas tree.

I see only one good sized city. I have to cross a bridge $\pm$ very low railings - creek or quite small river, very rocky. Go through very tiny town and then turn right. Town doesn't seem larger than one block of downtown. One of the last frame businesses on the right has a large Pepsi sign projecting out toward the road. Not exactly a thriving metropolis!

Whether you use this or not,
I pray God's guidance and help
will lead you to this boy, soon.

Good Luck!

Dee

VERNON C. SEITZ
929 E. CONWAY ST
MILWAUKEE, WI 53207

Dear Friends:

The following are my first impressions on the man who kidnapped Jacob Wetterling. Height 5 ft ten inches, medium to good build, dark blonde hair, almost brown in color. The party in this crime is a pattern criminal, *who has lost control* but has no convictions. Contrary to the FBI profile in the newspapers, this person has no noticeable physical defect.

I believe his actions are besides the pedophile approach, motivated by satanic aspects, that is specifically the abduction of a child for use in such rituals. Besides concealment at night, the dark clothing the man wore could be representative of such a belief system.

Many years ago I knew a young person who was into the arcane beliefs and he always wore black clothing.

I feel that this person, while having in the past performed physical work such as landscaping, is keenly intelligent and presently works in a respected profession, attorney type, perhaps a broker of some kind who handles the money of others as investment, *Clergy possibly*

This individual is also familiar with the school system in your area, and was involved at one time with something on the order of a drill team or band within sixty miles of St. Joseph.

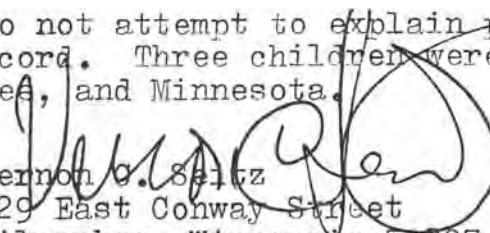

I feel that he is a resident of your community, who fits in very well in civic activities (So did John Gacy in Chicago), this man has made a place among you but was not born in your town. I feel the age of this guy is about 29 to 32 years of age. In your area maybe 6-7 yrs.

The name of a street sign reading Harl ~~or~~ Harw--- as if passing through the mind of the child during the kidnapping came to me. The vehicle looking like a cross between a station wagon and a truck was a dark burgundy or dark brown in color. Licence # may have a YK or KV letter sequence. Minnesota plates.

This man was not acting totally alone, and There might have been someone else in the truck at the time of the abduction. Besides the man who did the actual kidnap there are others involved, but I get no impressions on them.

I see the youngster as having been taken to a lake cottage on the north end of a lake as pictured. In a state with 10,000 lakes this may be little help, but pending your sending me a map of the county it will have to do.

I do not attempt to explain psychic abilities, but I have a success record. Three children were located through my help in Racine, Milwaukee, and Minnesota.

Info. about Jacob's Abductor

I wish to remain
anonymous so I am
writing some information
I overheard some women
~~talk~~ in Albany, MN.
share among themselves.

They said:

- They'd gone to school with a
person who looks like the
photo of the kidnapper.
- He'd be about 35 now.
 - He graduated from Albany
 - Had lots of "problems" in
high school
 - Had ~~a~~ or has a profile
matching that given by media

- Had some recent trauma
- Has the last name "Jesh"

I don't know the first name or if he is even in the area at this time.

I also don't wish to get this person into any trouble. But if it's helpful in anyway I felt obligated to share.

Caller said child and comp were looking at a map at the rest stop. Caller said comp ran his finger down the map. The man had his arm around the boy and asked child if he had ever been there (referring to a location on the map). Comp said "Well we are going there and you are going to have so much fun". Caller said the man was pointing to the east coast (caller was 8 feet from comp). Caller said comp put both arms around child and nuzzled the child's neck. Caller said the child just stood w/ his arms down and didn't respond. Comp then took child by the hand and led child to a small sports car. Child was wearing a black leather jacket, new blue jeans, red shirt. Caller went to the local police but they said they had no knowledge of the case. Caller said child looked exactly like the photo of Wetterling.

Dear Sue:

Has Jacob been found? May
my ESP is working overtime. but
I can't get this off my mind.

On Tuesday, Nov. 7th we were
about 20 miles out of Tucuman
New Mexico, on 54 heading south
west. We came up to a white
Scout type vehicle, red stripes
around bottom, NM plates - who
called my attention to it - a young
man was driving - his passenger
had a sun faded red hooded
sweatshirt on - hood pulled
with all the sweatshirt over
his children's head - they never
entered the hood!

In passing this vehicle I
looked right into this man's face
he looked like the picture spec-
had in the papers, of James
Kidnapper. We were in Northern
Minnesota, on our way to Winton
in Arizona.

I told my husband - so we
waited awhile - pulled over &
got another look. This time it
was a woman - boy had hood off
badly cut BLOND HAIR. But the
smirk in the driver's face - made
me think the woman's brass
cavey wig had been put on
when I recognized him.

Had two far behind, a small
red car - another man, young boy
were driving - he had Minnesota

plates. dark hair - 27-33-40

At Tucuman, we turned
off on #40 to Flagstaff - stopped
to eat. didn't see either car again.
I think they stayed on 54 - very
few highway patrol - mostly true.

So busy looking at men - I didn't
get any license. It just seemed
strange to see two cars traveling
together with only two young men
and two young boys.

I pray this is off base and
Jacob is home safe with his
family.

I marked

Sheriff Charlie Grafft
Sheriff of Stearns County
807 Court House Square

Dear Sheriff Grafft:

I have been following national news reports with deep concern and frustration in regards to Jacob. When I first learned of the abduction, I immediately telephoned your office and offered our services. To date, I have not received any response. There is no doubt that during this devastating time period, the days are hectic for your Department.

This Agency has a bloodhound specifically trained for human tracking, search and rescue. The dog is capable of locating missing persons, suspects, fleeing felons or escaped prisoners. The animal is further trained for cadaver search. We have the capability of making these locations in urban, rural, wilderness, or water areas. Tracking may be effectuated in any type of weather at any time of day or night.

As a former ten-year veteran of the Omaha Police Division, I am astutely aware that in any crime scene the least amount of tampering or contamination of the area will improve the prospects of success; therefore, the earliest contact for deployment is always the most beneficial. It is best to call the team while the problem is still being evaluated. A team will mean one dog and one or two handlers. They will respond quickly and are flexible. Canceling a request for a team presents no conflict should circumstances warrant.

Keeping in mind that media reports are often less than accurate, I sincerely believe that in more than one instance since the abduction, the unique abilities of the bloodhound, trained in human scent, could have been invaluable. There may very well be circumstances pertaining to your current investigation which could still benefit from the bloodhound.

Mrs. Fred H. Wiechman
201 Nevada Street
Northfield, MN 55057

Telephone (507) 645-6749

15 November 1989.

The Sheriff,
Stearns County Sheriff's Department,
St. Cloud, Minnesota 56301.

Dear Sir:

After much deliberation, I have at last succumbed to a close friend's urging that I tell you of my experience regarding Jacob Wetterling. I opened my world atlas to a map of Minnesota and used a crystal pendulum to determine locations & also answer questions. I swear to you that I have never done this sort of thing in my life before, but don't toss this aside until you've read further.

When asking locations, the pendulum made small, rapid circles over areas. When asking questions, it moved vertically up & down for "yes" and horizontally for "no."

Here are answers I received when I performed this experiment at 11:45 A.M. on Nov. 11, 1989:

1. Jacob is in Stearns County.
2. He is at the N. E. part of St. Cloud
3. He is alive (as of Nov. 11).
4. He is in no type of structure or building but is in some type of cave or quarry or space dug out of the ground, cliff or side of a hill.
5. He will not be discovered but will escape by himself.
6. He will return in 12 days.
7. His captor is balding, 51 years old, initials B.J. First name Ben, last name Johnson or Jensen; Jensen was stronger; Johnson sort of undecided.
8. Captor has not been arrested previously for annoying children although some incidents have been reported.
9. Captor is a resident of Roscoe. (Very strong. But who has ever heard of Roscoe, Minn.?)

Now let me assure you that I know absolutely nothing about St. Cloud. In fact I know nothing about any part of Minnesota north of south.

Minneapolis. All I know is that I prayed intensely for three days prior to my experiment for Jacob's safe return. As a child, I used to explore caves along the river and so I asked about this category. "Caves" came in weaker but "quarry" came in very strong as did "space dug out of a cliff or hill." "A well" was a definite "o." I never heard of a quarry or caves in St. Cloud but then I never had cause to think of St. Cloud at all.

So there you have it. No, I am not a so-called psychic or anything in that category; but we haven't had any leads on Jacob yet so, after praying for God's guidance, I tried this in desperation. I am just an ordinary, 72-year-old widow who believes prayer is the greatest magic there is.

With all good wishes for your success, I am

Sincerely yours,
Florence R. Niechman

TRI-COUNTY INVESTIGATORS INTELLIGENCE INFORMATION

INFORMATION ON ATTEMPTED KIDNAPPING ARREST

On September 8th, 1989 at approximately 2250 hours a 15 year old male was driving his bicycle when a car approached him in a poorly lighted area and the car's driver asked the boy for directions to 5th Avenue in South St. Paul. The driver of the car asked the boy to come closer to the car as he couldn't hear him. As the boy walked closer to the car, the driver of the car, an adult male, then attempted to force the boy into his car. The boy fought off the suspect and ran away from him and called police from a home nearby.

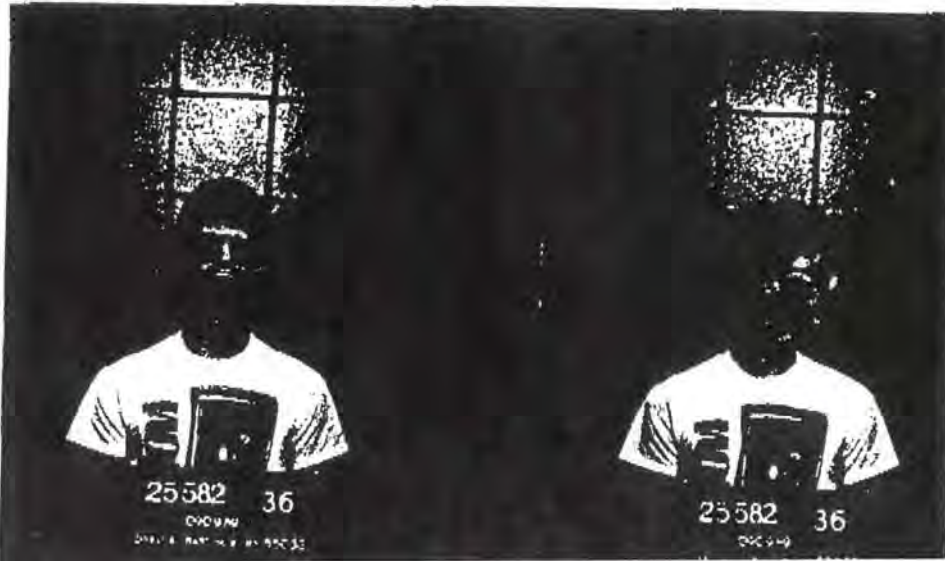

At 2310 hours, Rosemount Police pulled over a vehicle matching the description given by our victim, a newer small red car. The description of the suspect also matched the one the victim gave police.

Our officer took the victim to the location where the Rosemount traffic stop was and the victim made positive identification of the suspect. The suspect was TODD ALLEN COLBETH, DOB/9-7-64, 12312 Parkwood Drive, #206, Burnsville, Minnesota. Colbeth is a white male, 5'8", 130 lbs, thin build, light brown hair, and wears silver wire-rimmed glasses.

The vehicle Colbeth was driving was a 1989 Pontiac Lemans, 2 door, red in color, LIC/785DCF. A search of the suspects vehicle produced handcuffs, a holster, but no gun. Rosemount Police later searched the area where Colbeth was stopped and found a Taurus .38 revolver.

For further information, contact Investigator Mark Blissenbach.

North St. Paul Police and Burnsville Police have also charged Colbeth on information provided from this bulletin.

Follow-up on Brett Boos. I talked with Brett Boos in person on Thursday night at about 9:00 P.M. This meeting took place at his home at 4020 Grimes Ave. in Edina on 11/09/89.

His wife, Autumn, stated he was out of town that weekend. He then said that he was in Wyoming with his father, brother, a fellow employee from work, and two other fellows. They had been hunting in Wyoming for "white-tailed deer" in the Ten Sleep Canyon. On Sunday night they were on the way home and he was riding with his dad, Ron Boos, and the fellow employee, Chuck Schaefer.

I contacted Ron Boos at home on 11/09/89 and he confirmed the trip and that he dropped Brett off at home at 11:30 P.M. I have not been able to contact Schaefer as of yet.

I then asked Mr. Dettmann if he could recall his whereabouts on October 22nd, 1989 at approximately 2130 hours. Mr. Dettmann states that his father, Harry Dettmann, resides in a year round lake home in Deronda, Wisconsin, which is located near Amery, Wisconsin. Mr. Dettmann states that he goes to his father's lake home every weekend and that on October 22nd, 1989 at the time given he was between River Falls and Deronda, Wisconsin. DATE										RATE									

Sq- 333 was dispatched to 1074 Arkwright, #1, on information about missing Jacob Wetterling (kidnapping). Sharon Valley stated a male named ALLEN, PAUL (W/M, 5'10", late 20's or early 30's, medium build, straight sandy hair) was evicted from the building in April, 1989. After ALLEN was evicted, the police came by looking for him. They told her he was wanted for exposing himself to children. ALLEN fits description of the male that is wanted for kidnapping Jacob Wetterling and was a strange guy. He is a good friend of caretaker of 1074 Arkwright, Gary Jensen (Hm. 771-2826), apartment #10. ALLEN supposedly told Jensen he had a lot of friends that live in the area of where Jacob was kidnapped. ALLEN has visited Jensen since he was evicted.

DETAILS OF OFFENSE (Double Space)

On 11-14-89 at about 1900 I was advised by a note in my box that I was to check 901 3rd street north for a David Schmidt. I was advised by Chief Welsh to advise Schmidt of his miranda rights and then question him about his where about's on october 22nd 1989 at about 2130 (9:30 p.m.). In reference to the Jacob Wetterling Kidnapping.

I responded to this residence on 11-14-89 at about 1910 hours and spoke with Mr David Earl Schmidt. Mr Schmidt was identified by his Minnesota drivers license # . I explained the purpose of my visit and after advising Mr Schmidt of his rights (Miranda) I asked his where abouts on 10-22-89 at about 2130 hours. He had to think for a while about this as it has been over 3 weeks since this date, he came up with three possible places where he might have been, one was home at 901 3rd street north in Sauk Rapids, Mn two was at his parents house, and three was on the road coming back from his parents cabin, which is in Tower, Mn. He was unsure but thought he could check further and let me know for sure. Mr Schmidt advised that he works at St Cloud, Jobbing at 511 Sundial drive in Waite Park, Mn. Ph 251-5855. Prior to leaving I noticed that there was a white Ford Ranger P/U in garage bearing Mn Tag 242 CKX and a Black or Dark Blue 78 Camero Bearing 308 EED. In addition to these two vehicles Mr Schmidt advised that he also drives a White Ford Van he said is a "super van" and it is also a company vehicle, and has "St Cloud Jobbing" on the side of the vehicle.

I noticed that prior to leaving this residence that Mr Schmidt look similar to one of the composites released by the Task Force. I showed it to Mr Schmidt and also noted that it looked a lot like him except he has a mustach, but to same look and hair, glasses and he is 27 years old and looks 28 to 30 years old. Copy of Composite attached hereto.

2110 hrs Mr. Robinson flagged down Officer Ewald in the area of 89th Av. N. / Jongkil Ln. N., explaining he has a possible suspect in the Jacob Wetterling case.

Mr. Robinson feels that one Albert Carl Magnuson, W/M, DOB 7-19-25, is a good suspect in the Wetterling case stemming from Magnuson's alleged Criminal Sexual Conduct with several youths at Redeemer Church, 7641 Douglas Drive, Brooklyn Park, MN. Ph. 561-8769. Magnuson currently is employed at a tree nursery in Minnetrista, MN. according to Mr. Robinson. Mr. Robinson stated it is possible that the nursery has a van fitting the description of the one observed in St. Cloud, MN. this summer.

Mr. Robinson's information is based on his own feelings at this time.

Officer Ewald contacted Brooklyn Park Police Dept., Ph. 1-424-8013, requesting information on Magnuson. Officer Ewald was informed that Investigator David Nordan is currently assigned to the case, directing all inquiries to him.

2120 hrs. CLEAR

NOTE: Magnuson is the former Pastor at the Redeemer Church in Brooklyn Park, MN.

Has been involved w/ young boys
w/ his church. Inw Norden has

Dear Sheriff Grafft:

3/21/90

This a brief summary and profile of three potential suspects concerning the Jacob Wetterling abduction. The third individual is in reference to a composite drawing shown on national television. This information was recieved by a task force operator several weeks after the abduction. However, I feel a compelling responsibility to remind you just in case I was miss quoted or left something out.

- ① NAME - DORSEY Information available of 1980-81
AGE - APPROX. 45
WT. - 150 - 160
HT. - 5'9" to 6'
[EMPLOYER - B.T. Enterprises (Contract labor camp)]
[ADDRESS - BERWICK LA. FRONT ST.]
- No leads

Dorsey was arrested by the Berwick P.D. (Berwick La.) for the molestation of a twelve year old boy and his younger brother and was sentenced to prison.

Prior to his arrest, Dorsey was a dispatcher for B.T. Enterprises. Often he would boast about

the fact that he was an ex-police officer and was associated with the Berwick P.D. in an unofficial capacity from time to time.

With prison over crowding and time off for good behavior it is possible that Dorsey is a free man.

NOTE: FBI physical profile which was published in Lakeland Fla. Ledger was quoted as saying that the abductor might possibly have a physical deformity.

Suspect Dorsey has a deformity of ^{the} mouth (line-lipped,

(2) NAME - VERNON COOLEY (Information valid as of 1978-7)
NICK NAME (Uncle Shorty)

AGE (45-50)

HT (5' to 5'5")

WT - (110-120)

HAIR (Short, Dark & GRAYING)

TEETH (Possibly False)

ADDRESS - (Old Jacksonville Hwyp.)

PHONE (904-325-4478)

EMPLOYER - Florida Furniture

ADDRESS - RIVER ST.

PHONE - (904-328-3444)

LEAD # 8435

NOTE: OFTEN USES bicycle FOR transportation, ALSO USES MOPED

Vernon Cooley was brought to my attention by several neighborhood children. Apparently he would approach children along the road demanding sexual gratification. To my knowledge he has never succeeded in these demands and is probably why parents were reluctant to press charges. At that time the Sheriff's Dept. was aware of this individual and his abnormal behavior towards children. I sense that the acknowledgment by the Sheriff's Dept. was more off the record than on the record.

As I have stated, Vernon Cooley lives on Old Jacksonville Hwy. However, I should emphasize that this area is outside the city limits and is very rural and isolated part of the community.

- ③ NAME - JOHN BEAL - Information dated as of 1984
AGE - 45-50
WT - 180 - 200
HT - OVER 6'
Occupation (BOAT Captain) Morgan City LA.
Holds a 100 ton CAPTAIN'S LICENSE
Should be registered with United States Coast Guard (NEW ORLEANS LA.)
- Leat # 16047

I sincerely wish you and your associates
success in the safe return of Jacob Wetterling
and the apprehension of his abductor. May
God guide your efforts.

Sincerely, Leo Vick

Dear Sheriff Grafft:

3/26/90

After proof reading my written copy of the letter I sent to your office, dated 3/21/90, concerning the Jacob Wetterling abduction, I realized I might have neglected to have written the city & state of potential suspect Vernon Cooley. If this is so and has been an annoyance to you or your associates, I apologize. The correct location is Old Jacksonville Hwy. Palatka Fla. Phone directory does not list a street number for this location.

On 5/25/88 at 0457 hrs. I was sent to 1766 E. Minnehaha (Seven-Eleven) on a C.S.C. complaint. Upon arrival I was met in the parking lot by the comp., f/w.

KRAUT owns the business at

in the basement of which is a video rental shop. KRAUT also frequently stays when she woke up she said "If you value your business and want to keep punching the keys on your cash register then get the fuck out" to KRAUT. said that KRAUT hung his head down and said nothing and removed his hand from her vagina and left the room.

her vagina. said that KRAUTS hand was inside of her panties when he was touching relations. told me that she and KRAUT had never dated each other and have never in the past had any sexual

told me that she thought that KRAUT was still at w/m, about 5'11", short brown hair, glasses, no facial hair and skinny build.

Squad 319 FICCADENTTI, squad 672 CANNIFAX, and squad 310 REHAK and DICK, and myself went to and knocked on the door. A male subject matching KRAUTS description answered the door and I asked him

he was BRIAN KRAUT, and he said "yes". KRAUT then said, "what is telling you I did". I told KRAUT he was under arrest and asked him to come outside. KRAUT said "I'm on the phone with mother, can I finish talking

to her"? I told KRAUT he could not and then handcuffed KRAUT and placed him in the back seat of squad 319 FICCADENTTI'S car. KRAUT requested that I go into and get his shoes for him. I brought KRAUT his shoes and then read him his miranda rights. I did not ask KRAUT any questions after reading the miranda.

RELEASE
23, 1989

County Sheriff's officials need your help in locating a suspect in the kidnapping and aggravated rape of an 11-year-old Robeline girl.

The girl was abducted from a hotel parking lot in the 5100 block of Monkhous Drive as she was walking to her family's car around 7:30 p.m. Saturday. She was driven around by the suspect for some time before she was sexually assaulted then left on a rural farm road between Marshall and Carthage. Around 1:30 Sunday morning, the girl appeared at a home in that area, where residents notified State Troopers.

Police are looking for a white male in his early to mid-30s, approximately 5'8 and 180-200 lbs. The suspect has brown hair that is curly on top and was wearing glasses at the time of the kidnapping.

If you have information about this suspect, police ask that you call the Shreveport Police Department Youth Bureau at 226-6051 or Crime Stoppers at 226-5711.

Case # 89-154284

Re: Jacob Wetterling

This Department received information from a person who wished to remain confidential, unless further information was needed from him.

He stated last night he had a very vivid dream about the case with the following information.

He feels Jacob is or was being held in an apartment in Minneapolis, in the area of Chicago or Lake Streets, around 3rd, 4th or 5th. The Apt. has an iron railing, with steps down from the sidewalk. The Apt. is possibly stucco, possibly yellow. It is no higher than 3 stories and the Apt has wood framed windows. He feels Jacob is dead, unknown cause. He does not think sex was involved. The Apt. is bright and its sunny. It is in a predominately white area which is older and not expensive. He feels the suspect is in his late 30's, bearded, but he is not sure of this. He then stated he thought the suspect was in custody of the police and did not resist being apprehended.

The person reporting this seemed to have all his wits about him. He stated he has dreams in the past which have proven to be true and felt he should report this just in case it meant something. This department does have his name should you need it.

Share-A-Home Staff

I'm not a consumer
And I don't watch the news
Their words don't impress me
Much less do their views

I'm not a statistic
Or part of a class
~~And~~ When they call me for duty
They'll just have to pass.

Numbered and herded
From the day we were born
Numbered as nothing—
Against this I'm sworn.

Who made the laws
That we are bound to keep?
Government criminals
Full of power and conceit.

History can't remember
The fools in their pride
Except in their folly
And only ^{then} to deride.

Think for yourself
Don't follow the crowd
And if you find truth
Shout it out loud.

On the above date + time I spoke w/ complainant by home and was told that somebody took pictures of while he was on his way home from school.

and a friend,
were walking

past the apartments there, and when they were near the bldg. closest to the freeway, a man, white, about 50' OR 55, w/ white hair + a yellow hat yelled and when they looked at him he took their picture. The kids say that he drives a large grey Lincoln or mercury but don't know who he is, they have just seen him around before. ODEEN thought this unusual and did not want the man to be taking pictures of the children. She said she would call back if it happened again.

Incident: Possible information Re: Wetterling Abduction

Initial Information: On 11-04-89(Saturday) at about 1815 hours I received a call from the R/P indicated above who had called to give information thought to be related to the Wetterling abduction.

Mr. Biggio said that he is an OTR trucker. On 10-30-89(Monday) at about 1330 hours he was EB on 694 at about Weaver Lake Rd in Maple Grove. He said that he observed a van that he had heard similarly described in regard to the Wetterling abduction. The vehicle/van was ahead of him and thought to be traveling at about 60-65 MPH, Biggio increased speed to catch up to the van to get a better look. He recorded the License number as : MN LIC NLZ-370.

Biggio said that the van that he observed was off-white/pink in color, and had rust on the bottom (that is what had first caught his attention. He said that it looked like the van that was shown on television. As he passed the van he notice that it had blankets in the windows. The man driving was a white male; beard; and wearing glasses.

R/P said that the van slowed to a speed of about 55 MPH, and Biggio said that he assumed that it could be because of the approaching to the Metro Area. He said that he slowed down as well, and turned off shortly later, and does not know further where the van went.

Officer Action:
I took down the information as given by the R/P and identified him fully so that further contact could be made if necessary.

The van registers to a KEVIN BENEDICT DOYLE; P O BOX 641; ST. JOSEPH, MN. DOB: 07-10-56

HENNEPIN COUNTY SHERIFF'S DEPARTMENT
Investigative Report
Case #89-56-1552

This follow-up report is being dictated by Detective Richard A. Loose on 11/15/89 at 9:05 a.m. Jacqui Albright typing on 11/15/89 at 9:05 a.m.

This report pertains to information received concerning a composite sketch that was shown through the news media depicting a person believed to be a possible suspect in the JACOB WETTERLING abduction.

On 11/14/89, at approximately 8:50 a.m., I received a phone call from a female party identifying herself as CONNIE LENSEGRAVE, telephone number (612) 559-9223.

Ms. Lensegrave stated to me that she had seen a news broadcast in which three artist's composite sketches had been shown. She stated the sketches were not aired for a great length of time and in viewing the broadcast, it was not clear to her whether all three of these sketches were supposed to be of the same individual. She did state that one of the sketches appeared to be someone that she recognized. Ms. Lensegrave stated that the sketch depicted on the left hand side in the series of three composite sketches that were shown, appeared to be identical to a person who used to frequent a bar that she also went to in Crystal, Minnesota.

Ms. Lensegrave stated that she cannot recall the man's name. She stated she thinks maybe his first name was "GEORGE".

I asked Ms. Lensegrave approximately what age the party was that she was referring to and if she could give me a more detailed physical description of that party. She indicated that the person she is referring to would be in his 50's now. She indicated that he is approximately 5'8" tall and has a slightly rounded build. She stated that he is mostly bald with gray hair on the sides.

Ms. Lensegrave stated that the party she is referring to used to drive an EGEKVIST BAKERY truck. She indicates that more recently, she has seen the same party in the Crystal area. She indicated that he is now driving an orange taxi cab, but she could not recall what taxi cab company specifically it was. She indicated that she has seen this taxi cab in the Crystal area on a couple of occasions within the last few months.

Ms. Lensegrave stated she has no reason to believe that this party may be involved in abducting anyone or any child sex offenses. She simply indicated that in viewing the composite sketches shown on TV, the person appeared to be identical to the person she was referring to. Ms. Lensegrave stated the bar that this man used to frequent used to be called "THE CABIN BAR" and is located in Crystal, Minnesota. She indicated that she believes the name of the bar is now "STEVE-O'S".

Ms. Lensegrave once again stated she had no reason to suspect this gentleman, but that she wanted to provide this information to the appropriate investigating personnel, should it be of any value to them. She indicated that, in the event she sees this man again in the taxi cab, she would get the cab company name and provide that information to this officer.

Ms. Lensegrave once again stated that the only reason she contacted our agency in reference to this matter was because of the fact that the composite sketch resembled this man what she considered identically.

DET. RICHARD LOOSE
Case #89-56-1552
Page 2

I advised Ms. Lensegrave I would forward this information to the appropriate investigative agency and that I would provide them with her name and phone number should they have any questions regarding this person.

INFORMATION:

Work for Ryder Student Transportation. Worked as a driver during 1988-89 school year named Dick Lattimer (spelling?). He was fired last spring for molesting a child on his home Park Elementary Route in North Maple. The following day, the new driver reported that Lattimer was waiting at the first bus stop, glaring at the children. He then followed the bus all the way to school.

If he had lost some weight, Lattimer might resemble the W.B. Police composite published this morning (from my memory). I recall that he was very hostile when he talked about the children, ~~and~~ that he had a piercing glare, and would stare at ~~people~~ children passing his bus during dismissal at Maple View HS. in the afternoon. He also glared at fellow drivers. He was very antisocial. This was brought to my mind while reading of the abduction in St. Joseph, and the attempted abduction last week. Brian Freeberg 11/13/99.

BRIEF SYNOPSIS The comp called in because he saw a composite of the suspect in the Wetherling kidnapping in Stearns County. He said the suspect looked "just like" a guy he knew in 1982. He said he can't remember the guy's name. The guy owned a bakery on 4th St. in downtown Worthington. He lived with his mom and he was about 45 yrs at that time. The guy was a bachelor and he described the guy as "weird". The comp could not explain why he thought the guy was weird though. The man also drove a small baby's truck or van all the time. I did check with a sergeant at Worthington PD and the man still owns the bakery. Info passed to Stearns County Task Force (Myhane)

Your writer Chief Jerry O'Driscoll went to the home at 410 3rd Street north. Carrie Ann Schave 14 years old, date of birth 06/27/75 gave the following. Seems she was walking north of the Messiah Luthran church and an older pick up truck came by. The driver stopped and told her to get in. He did this twice. She said that she just left and went on up to the high school. When she was walking away she noticed that the truck went south then turned up onto 4th Street north then down on 5th ave. The truck was light green on top and green in the center and light green on the bottom. Carrie did not get a good look at the driver. This all took place at 1555 Hours. On the day that the little 11 year old boy was abducted, I had a psychic dream that I think may contain some clues as to his disappearance. They are as follows:

The town is either Clear Water or Clear Lake

There is a person involved named Herb

This person may work at a tourist shop located on a lake/river

There is a picture of two indians nearby. This is either carved in stone or painted on stone. This seems to be up high such as on a cliff.

The route is 15 or 150.

NARRATIVE (Write in any available details not covered above)

This complainant is a friend of this writer with complainant belonging to the same church. While this writer was at my residence last evening, I received a telephone call from the comp. who stated to me that she spotted a look-a-like from the Stearns County composite #3 while she was driving nb on Robert. Comp. reports that the suspect was similar to the composite drawing; that he acted nervous when when the comp. had occasion to view the suspect as he was driving his vehicle, also nb on Robert Street. The comp. reports that she wrote down the license plate number immediately, came back home, thought about what she had seen, then decided to telephone me.

Officer ran a registration check and DL check on the suspect vehicle with this incident report being transmitted to the Stearns Co SO.

While Deputy Malepsy and I were coming in on Richway Drive, Deputy Malepsy saw a subject talking to two young girls, who looked very suspicious to him, by the sign at the fairgrounds. We turned around at the fairgrounds and the subject was following the girls and talking to them and then he saw us and then he kinda acted like he didn't know which way he wanted to go and then waved to us. We turned around and stopped him on the corner and the girls kept on walking. I asked the subject if we could help him and he said he was looking for the mall. He was holding a key in his hand and I said, so what are you doing here and he said I'm on vacation. I asked him where his vehicle was and he said he didn't have one. I asked him if he was hitchhiking and he said ya. I said let me see what's in your hand and he held up, this? Just nothing and I said, let me see it, and I grabbed his hand and he made a little move like he was going to pull away and he was holding a car key or door key. The subject was then placed in the back of the squad car and padded down for weapons or I.D. and didn't have either on him. SEE SUPPLEMENT:

SUPPLEMENTARY REPORT

Albert Lea, Minn. 56007

Case: **SUSPICIOUS PERSON**Control # **88004175**

It was learned that his name was **CALVIN LEROY GILLET**, DOB: 8-29-60, 6'1", 210 pounds, brown hair, brown eyes. We asked him where the vehicle was and he said it was over there and he was just walking around looking for directions. We went over and his vehicle was about a block, block and a half, two blocks, parked running on Crystal Drive or Keystone, the first street there.

We stopped the two girls and interviewed them further. The two girls were identified as listed on the offense sheet. The two girls said the subject had driven by them, turned around and driven back to the corner, turned west, went by them again, went over and parked and then came back to them. He said he wanted to know where the mall was, asked them about a game show on t.v. and then asked for some other things that they didn't know what they were, sounded like film or photos, or something, they didn't know what he was asking them, but he kept on asking them dumb questions. Had they ever been in a boat, in a carwash and things like that. They said he just kinda followed them until we came back.

I went back and got the guy's I.D. out of his van and made sure he was who he said he was and that he wasn't wanted. In the van, which was Arizona license, **CPB 044, 1984 Chevrolet, blue and tan, custom van, with raised roof, diesel van.** In the van I saw between the front seat was a folded open porno book to some nude explicit pictures. Right underneath it was a Bible and in the back of the van was some women's clothing, some were pretty small, could have been childrens, and a teddy bear and several suitcases. It looked to us at this time that the subject was set up to pick up little girls. He hadn't done anything and hadn't tried. We interviewed him again and couldn't get anything out of him like he was going to pick them up, other then everything else pointed to it, that he had hid his vehicle, had driven past them and then asked them where the mall was and was asking them these dumb questions. I asked the subject several questions and he said, why are you questioning me? I said because I get paid to and you know why I'm questioning you and he shook his head indicating that he did. I said I want you to tell me what you were doing and he said, you already know, I don't have to. I asked him, have you ever been arrested for this before and he said no. I asked him, have you ever been committed for this before and he hesitated for a while and then answered no. I told him that we all know what you were doing and we know who you are and we want you out of here. We followed him down the road until he left the county.

He had been spending time in Minneapolis for about the last week, claimed he had been in Tuscon visiting his sister and that was who the clothing belonged to. It is definitely believed though by the way his vehicle was set up with the clothing, the porno books, the teddy bear, the Bible, etc. that the subject and the time of day he zipped into town driving by the girls etc. and then parking and walking back to talk to them a couple of blocks, it is believed

Dear Doug,

These are some of the things I came up with after learning of Jacob Wetterling's abduction on "A Current Affair" and the order in which they came.

Molested, stabbed

At peace now

went west at night over hills - raining
lots of what resembled boat exhausts
chewed up wood around

Only ground or heavy black plastic around
old lamp - small place ←
(skateboard or where kids play on them
or roller skates)

Older man - wearing white shirt
hollow cheeks - eyes

Person is rotten inside

Parade horses or equipment for them like
reins + stuff.

Area under construction

A-Frame roof on its side

Not totally covered & when found, another
child will be found nearby.

Pharmacy or pharmaceutical products mfg nearby

Man had hearing problem
Always seemed to be in the dark
Mustache ~~was~~
Deep pore on right side of neck
Narrow fingers - Belly
feet turned outward when walking
Wants to be in control

The name Clarence came to me about a wk
later.

Thank you for listening -

Sincerely,

Vi Thompson

Mesa, Az.
Nov. 12, 1989

St. Joseph Galis Dept.
St. Joseph, Minn.

Dear Sir:

I am a senior citizen and am spending the winter months in Az. We left Arlington, Minn. (where we visited our daughter, she's administ of the hospital there) Oct. 27 and stayed in McCook (S.D. or Neb) that night. I kept watching a car from there onto the Texas border. There was a dark man driving a white car. He didn't look like a black man, though. There was a blonde boy about 9 or 10 yrs old in the back seat. I noticed once he was straightening the back seat or bed out. He wore a pink shirt. The car license (I think) was 969-HNA Texas. This may not mean a thing but maybe it is something concerning the Wetterling boy.

We are from Montpelier, N.D.

Sincerely

Mildred Wilkinson

Dear Sheriff Charlie Grofft,

I read about the 11 yr old boy Jacob Wetterling's abduction and then several days later this story appeared in our Green Bay, Wis. paper. Do you think this could be the man that abducted Jacob? If you want to call the Brown County Sheriff's office in Green Bay, Wis. about this man, the number is (414) 436-3300 I hope they find Jacob alive and well.

16-year-old De Pere boy was small e hunting with a companion late Fri- afternoon when a 26-year-old man alle- 7 fired a number of shots at the boy, nding him once in the leg.

t first, the shooting in rural West De e appeared to be a hunting accident.

ut after a talk with the wounded boy, stigators discovered that the De Pere l, believed to have fired the shots might e followed the two youths into a wood- rea, climbed a tree and aimed directly em, Sheriff Leon Pleschek said.

he was sitting up in a tree, and when guy walked by, he shot him," Pleschek in an interview at the scene of the ar- "At this point, we're treating it as an tional shooting."

he boy was in good condition in St. cent Hospital Friday night with a nd from a small-caliber gun.

eschek emphasized that any informa- he had Friday was pieced together a initial interviews by investigators. said investigators would have to con-

duct further interviews before determin- ing exactly what happened.

The sheriff declined to release the name of the wounded boy, his 17-year-old companion — also of De Pere — or the man arrested in connection with the shooting. He also declined to say whether the shots were fired from a handgun or a rifle.

Pleschek said investigators are confer- ring with District Attorney John Za- kowski about how to charge the man.

After the shooting, the two managed to get back to their car on a Highway 41 exit ramp, just south of the Wild Onion restau- rant in rural West De Pere, he said.

The man, however, remained in a wood- ed area on farmland behind the restaurant for more than 1 1/2 hours. Sheriff's Depart- ment officers and deputies, De Pere police and a Wisconsin State Patrol officer sur- rounded the field in marked and un- marked cars.

Shortly after 6 p.m., the man emerged from the woods carrying what appeared to be a rifle or hunting bow, walked slowly across a farm field and climbed atop the trunk of his car to doff his cap to police.

Shooting: A man was apprehend- ed Friday night in rural West De Pere after a 16-year-old De Pere boy was shot in the leg. Brown County Sheriff Leon Pleschek de- clined to release names.

Complaint: Complainant said that they had received a
call from Caldwell on 11-2-89, stating that on 10-22-89
about 1330 hours she had seen a man wearing a mask,
lying down in the field area near her residence.
Complainant asked us to check on the incident
I talked to Caldwell. She said that on 10-22-89,
between 1500-1600 hours, + came running
to her and told her that they had just seen a
man in the woods, at the bottom of the hill wearing
mask carrying a gun. Caldwell said, "I was
very scared. Caldwell said she thought
was with also. one gone until

Monday and Caldwell could give me many details.
Caldwell told me that Shannon who lives across the hall
from her was also there. I talked to Shannon. She said
she didn't see the man. Shannon seemed to confuse
the incident with the kidnapping in our city that occurred
about the same time as Weatherings. It is difficult to determine
what really happened at this point until we can talk to
Complainant asked that we FAX them a copy of the report when
Completed.

SYNOPSIS: Complainant responded to LPD with suspicious information that he had seen last Thursday. Subject had been out of town only to return and believe that information that he had may be of some value to the Wetterling kidnapping Task Force.

REPORTING PARTY:

PINOR, MICHAEL STEVEN
 DOB: 06-08-56
 503 JULIET DRIVE
 LAKEVILLE, MN 55044
 612-469-5681

SUSPECT VEHICLE:

OHIO VAN, E967AF

ELEMENTS: On 11-06-89 at approximately 1950 hours, Mr. Michael Pinor arrived at that Lakeville Police Department. He stated that on Thursday, November 2nd, he was on the Ford Parkway in Minneapolis when a well weathered GM van stopped in front of him, did not wait for the lights to change and drove through a red light into a apartment complex. He stated that his attention was drawn to this vehicle, due to it's not wanting to wait in traffic and that when the vehicle drove into the apartment complex, it drove immediately to a dippey dumpster. He stated that it was a well weathered Chevy Van, bearing Ohio plates E967AF. He stated that it was very suspicious to him, however did not think a whole lot about it until he returned home on November 6th. He stated that on November 3rd, after this incident, he left town and on returning November 6th, his mother showed him a front page of the Minneapolis Star and tribune in reference the Wetterling kidnapping, which outlined a particular van that the task force may have been looking for. He stated that he did not know if this was anything, but because of it's suspicious nature, he thought that he would pass on the information.

Incident/Supplementary ReportPAGE 2 DATE 11-06-89

I thanked him and advised that the task force or someone involved in the kidnapping would probably contact him. I asked if he was aware or if he knew the address of the apartment complex where this incident happened and he stated that he was not that familiar with it, but would be able to identify it again.
